## THE VICTORIA MEMORIAL SCHOOL FOR THE BLIND HISTORICAL SKETCH

The Victoria Memorial School for the Blind was founded in 1902 to commemorate the memory of the late Queen Empress Victoria though it may be said that in a way its seeds were sown in Ahmedabad by late Dr. Nilkanthrai Dayabhai Chhatrapati, a medical practitioner. Dr. Chhatrapati lost his vision in 1894 but bravely overcame his handicap and studied the Standard English Braille and the system of education for the blind in the United Kingdom. In this he was helped by Dr. John Robb (Aberdeen), retired Civil Surgeon of Ahmedabad.

In 1895, Dr. Chhatrapati started a school for blind boys and girls in his family home. With the help of some eminent educationists he adapted the Standard English Braille to the Indian Vernaculars. When the number of students increased, the small school was shifted to the Gujarat Vernacular Society Building.

By 1901, Dr. Chhatrapati's School had made enough progress to attract the attention of the educational authorities of the Bombay State. Mr. Giles, the Director of Education, who intimately knew the School, asked the Victoria Memorial Committee to invite Dr. Chhatrapati to take charge of the proposed school for the blind in Bombay. Dr. Chhatrapati had an interview with Sir Lawrence Jenkins, the President of the Committee, and became the first Principal of the Bombay blind school. The Ahmedabad School was closed down and the boys transferred to Bombay. The girl students did not have this benefit which pained Dr. Chhatrapati who consoled himself in the fact that he was moving from his native place to Bombay to brighten future prospects for the blind as a whole.

The Victoria Memorial School for the Blind was first situated in a small rented building at Bellasis Road. It was later temporarily shifted to a building under construction at Foras Road. From there it was taken to Chinch Pokli and back to Bellasis Road. Before the School could permanently be established at its present beautiful site at Tardeo, it had again to ramble to Sleater Road and Khetwadi 13th Lane.

The School's ramblings, as far as its location is considered, ended in 1914 when the Victoria Memorial Committee purchased the site at Tardeo and put up a magnificent structure. But with the cessation of a nomadic life in its initial history of about twelve years, its ramblings in the field of education and welfare work for the blind began in which it has done much pioneering work. The present Committee of Management has thrown open the doors to blind girls who are admitted as day scholars. The School to-day stands as a beacon light radiating hope, cheer, faith and courage in the hearts of many whose life is engulfed in darkness.

## THE VICTORIA MEMORIAL SCHOOL FOR THE BLIND

### REPORT OF THE HONORARY SECRETARY

I have pleasure in submitting the 60th annual report of the School for the year ended the 31st of March, 1962. The year reached the highest enrolment mark so far as the chart provided in the report will reveal. This has taxed to the maximum the accommodation capacity in the School and has accentuated the immediate necessity of its expansion. We are sorry that some applications for admission were to be kept on the waiting list. The Committee of Management is aware of the situation and is giving a serious consideration to the question of providing additional building space for the growing needs of the School. The Committee hopes that the public will make a generous contribution towards the solution of this difficulty.

It is significant to note a few of the outstanding events of the year. The School had the distinction of having Her Majesty Raja Permaisuri Agong, Queen of Malaya, at the School on the 23rd December, 1961. Her Majesty was received by Hon'ble Shri H. K. Chainani, Chief Justice of Bombay and our Chairman, and the members of the Committee and taken round the School. The Queen evinced keen interest in all the School's activities of which she made a detailed observation. A reception in the honour of her gracious visit was arranged at the School Premises.

The School felt deeply honoured by the visit of such a distinguished personage and the handsome donation of Rs. 500/- she made to its funds. What also should be noted is the fact that the School's reputation has grown far and wide beyond the geographical area of this country.

We are very proud to record the unique achievement of the School in carrying away the All-India Competition Shield offered by the President, Smt. Queenie H. C. Captain of the National Association for the Blind, on the Association's 10th Birthday Anniversary in January, 1962. The Dr. Nilkanthrai Dahyabhai Chhatrapati Braille Reading Shield was won by the School for the fourth time in succession.

On the 10th March, 1962, we had the privilege of having Shri M. C. Chagla, now High Commissioner of India for U.K., preside at our Annual Prize Distribution. The function was as usual largely attended. The honoured guest was welcomed by Shri M. D. Bhat, Vice-Chairman, on behalf of the School. The programme was found of a good standard and the work of the School was highly appreciated in the speech made by Shri Chagla, who also appealed to the public to contribute generously to the Institution for the furtherance of its good work.

The starting of the training course for the teachers of the blind sponsored by the Government of Maharashtra, and the Voluntary Organisations for the Blind under the directorship of the Principal of the School filled a long-standing need. The course was inaugurated by Shri P. J. Chinmulgund, Secretary, Education and Social Welfare Department, on Thursday, the 1st of March, 1962, at the School Premises and the Training Institute of Teachers for the Blind was established. This is a new responsibility which the Management has been pleased to shoulder in the hope that the training provided will go to improve the educational standard in the schools for the blind.

In the third week of December the Ministry of Education, Government of India, convened the First National Seminar on the Training and Employment of the Physically Handicapped at Bangalore and the Management permitted the Principal to attend the Seminar as a delegate.

The Management's expectations of obtaining the necessary financial aid from the Central Government and the public have not yet been fully realised to push on with our expansion schemes. It will not be out of place for us to appeal to the public to give liberal help which will enable us to provide better and more extensive service for the education of the blind. The specimen legacy forms are printed in the report for the guidance of those donors who wish to leave bequests for the benefit of the School.

The Committee of Management learnt with deep regret the sudden passing away of Smt. M. C. Chagla on the 29th November, 1961, at her residence in Bombay, and conveyed to Shri Chagla, the School's Chairman for several years, its condolence in the sad bereavement.

**Our Students:** With the opening of the new session in June 1961, one upper class was added both on the Gujarati and the Marathi sides to the existing VII Classes. The Happy Home & School for the Blind, Worli, arranged

to send its 5 students to our School to receive training in the newly added upper division. This is the first step taken to advance the School upto the S.S.C. grade.

The School selected and deputed 5 students to appear for the P.S.C. Examination all of whom were declared successful. The writers for the candidates were provided by the Imperial High School, and we are thankful to the Principal of the School and the student-writers for the free service given. The members of our staff concerned, also gave extra time for preparing the candidates for the examination, which is also appreciated.

One of our students, Vishtasp J. Mirza, was admitted to the S.S.C. Class at the Sahkar Vidya Mandir, adjacent to our School. In the S.S.C. Examination he was declared pass obtaining Second Class. The School secured honorary readers and tutors to help in preparing him for the examination. Mirza is now studying at the St. X'aviers College. It is a matter of pride both for this School and the Sahkar Vidya Mandir, that Mirza has been adopted by the Lions Club of North Bombay, at a special function at which Shri H. J. H. Taleyarkhan, Minister for Civil Supplies, Housing, Small Savings and Tourism, was the Chief Guest.

The Union Ministry of Education awarded Post School Scholarships to four of our students, viz., (1) Ramanlal L. Patel, (2) Vasantlal C. Korodia, (3) Ramesh H. Thackker, and (4) Gokaldas J. Patel, for studying Advance Physiotherapy.

In August 1961, the members of the staff and the students voluntarily collected a sum of Rs. 123/- towards the Times of India Poona Relief Fund to help those who suffered in the floods caused by the Panchet Earthen Dam giving way.

The following ex-students of ours were able to secure jobs in open employment:—

(1) Jehangir D. Irani, (2) Vijay Dali, (3) Babu Jantre, employed in The Textile Mills, Bombay; (4) Gnanprakash Gupte, employed in the Spring Mills, Bombay; and (5) Govind Bagule, employed in The Textile Mills, Sholapur.

Biharilal Shah and Khimji Damji Thakker, two of our students, were declared pass in Hindi Parichaya Examination and Lachoo Idandas Variani, Somnath Govindram Javer, Rambhau P. Kahar, Sudhakar Girdhar Borole, and Prahlad P. Bharavale, were all declared pass in Hindi Pravesh Examination.

**Our Staff:—**One of our teachers, Smt. S. Padbidri, appeared for B.A. Examination from Smt. Nathibai Damodar Thackersey University and was

declared pass in the Second Class. She was selected for training in education of the blind with the Perkins School for the Blind, U.S.A., and the Committee of Management sanctioned her an amount of Rs. 1,000/- to cover part of her expenditure. Smt. Padbidri left Bombay on the 8th August, 1961.

The increase in the number of students and the addition of upper classes have necessitated employment of two new teachers. Kumari P. Almoula, B.A., S.T.C., and Smt. S. S. Manjrekar, Inter Arts, S.T.C., have been added on our staff from the beginning of the first session. The School has appointed from the 1st December 1961, a full-time qualified P.T. Instructor-cum-Scout Master, in Shri Y. J. Choksy, who has now substituted the part-time P.T. Instructor, Shri P. R. Patel.

Several staff meetings were regularly held for matters relating to progress of children in their studies, improvement in the standard of their education, and other relevant problems. The teachers also continued to give demonstration lessons and co-operated fully in assigning home-work to their classes. The success of the programme presented at the Annual Prize Distribution was in a large measure due to the efforts the members of the teaching staff put into it.

The School is very much indebted to the several honorary workers who devote their valuable time to conduct classes and to be of help to the Institution in other ways.

**Visitors & Visiting Institutions:**—During the course of the year the following institutions paid visit to the School:—

The Institution was pleased to have distinguished social workers from Lagos, Nigeria, viz., Lady Abayomi, Miss U. Wachu Ku, Mrs. Fatima Ibrahim, Mrs. Zainab Wali, accompanied by Smt. Mitha J. Lam.

Shri Roy, Deputy Director of Social Welfare, Jabalpur, Shri S. N. Sharma, Superintendent, Institute for the Blind, Ambala Cantt. Punjab, Smt. V. Batra, Institute for the Blind, New Delhi, had useful discussions re: the management and running of schools for the blind in their respective areas.

**Important Events:**—On the 1st March, 1962, the Training Institute of Teachers for the Blind, sponsored by the Government of Maharashtra in collaboration with Voluntary Organisations for the Blind, was established and the first Course of six months' duration was inaugurated by Shri P. J. Chinmulgund, Secretary to Government of Maharashtra, Education and Social Welfare Department. The Principal of the School was appointed Honorary Director.

There were four trainees deputed to undergo the Course and two of them came from the School for the Blind, Nagpur, and the Government School for the Blind, Bhandara. The School provided lodging facilities to these two trainees. The Staff attached to the Institute consisted of Smt. S. Ahuja, Certificate of College of Teachers for the Blind, England, Kumari N. K. Ajgaonkar, Principal of the Dadar School for the Blind, Kumari Rehmat Fazalbhoy, Certificate of College of Teachers for the Blind, England, and Shri R. R. Bakshi, B.A., B.T., Head Master, of the School.

The following Guest Lecturers were also invited to give talks to the trainees:—

Shri M. Y. Bhide, Professor of Psychology, St. Xavier's Boys' Academy; Dr. R. T. Vyas, Ph.D., Development Officer, National Association for the Blind, Shri B. P. Chitanand, Superintendent, Beggars Receiving Centre for Males and Females; Dr. S. P. Chavan, Ophthalmologist in charge of Maharashtra Government Eye Bank, Sir J. J. Group of Hospitals; and Shri Sheriyar Caoosji, Superintendent, Government School for the Blind, Hyderabad, A.P.

**All-India Competitions:**—On the occasion of the 10th Birthday Anniversary of the National Association for the Blind, the First All-India Competitions were arranged among the institutions for the blind in Braille Reading

(Hindi & English), Hand-Crafts and Music. Competitions in Music were organised by the Principal of the School. The Institution participated in all the Competitions and won the All-India Shield offered by the President of the National Association for the Blind, Smt. Queenie H. C. Captain. The total number of points secured by the School was 41 which was 11 points above the next best institution.

In the Competition in Clay-Modelling held for blind children, the School again stood first.

An All-India Hand-Crafts Exhibition was also organised at Sir Cawasji Jehangir Hall on the occasion and the School put up a very attractive, colourful stall which drew large crowds. A good sale was effected of the articles prepared by the students. The Exhibition was inaugurated by Smt. Gulestan Bilimoria, and the All India Shield was given away by Shri Sree Prakasa, Governor of Bombay.

On Saturday, the 28th January, 1962, the Lions Club of Bombay gave a reception to the blind at the School Premises to mark the occasion of the 10th Anniversary of the NAB. The NAB also organised on the 25th January, a grand Community Lunch at the C. J. Hall.

To enable the institutions for the blind outside Bombay to compete in the items, the School provided accommodation to competitors from the Government Model School for Blind Children, Dehra Dun; the School for the Blind, Indore; the C. P. & Berar Blind Relief Association, Nagpur; and the Government School for the Blind, Cutch.

**Seminars:**—The first National Seminar on the Training and Employment of the Physically Handicapped was organised by the Ministry of Education, Government of India, in the third week of December 1961, at Vidhan Saudha, Bangalore. The Principal was represented as a delegate at this Seminar which discussed many important aspects of the problems facing the education, rehabilitation and employment of the blind, deaf, and the physically handicapped.

A very interesting Seminar on Blindness was also organised in the month of August by the Department of Prevention and Social Medicine, Seth G. S. Medical College, K.E.M. Hospital, Bombay. Some of the students of the Department submitted valuable Papers on which discussions took place. The Principal of the School among others was invited to participate in the discussions.

**Annual Prize Distribution:**—The School's Annual Prize Distribution was held on Saturday, the 10th of March 1962, in the School Hall. Shri M. C.

Chagla, presided and gave away the prizes. As usual the School was fortunate to receive the donation of Rs. 250/- from the India Cotton Supplies Ltd., through Shri Varjiwandas M. Saraiya. Without this generous help, it would otherwise be very difficult to hold this function. The Institution is also grateful to Messrs. Maganlal. Dresswala, for supplying free of charge costumes and dresses, and Shri B. G. Dadarkar, for the free service for make-up.

Yadav R. Falak carried away the Championship Cup having scored the highest number of marks. The Chunilal Pranjivandas Shield was won by the Nilkanthrai House. In Scouting, the Tilak Patrol was declared champion and the Sardar Patrol won the Runners-Up Cup. In the competitions held for the Cubs, the Lion Patrol won the Championship.

The entertainment programme was provided by the children on the occasion which won the appreciation of all those present.

**Hours of Joy:**—The School does not believe in “all work and no play”, thanks to the entertainment programmes provided by the White Cane Project Committee of the Lions Club of Bombay on every Saturday. The children of our School and other institutions for the blind in Greater Bombay had a good run of entertainment as well as instruction. The WCPC organised very instructive talks on various topics by experts, musical programmes, kavi sammelans and outings including the most popular Harbour Cruise by Lion M. Lentin.

The Lions Club of Bombay Annual Reception to the Blind of Bombay was held at the School Premises and Shri Bipin Maneklal, Collector of Customs, was the Chief Guest. This is a function to which the organisers and the blind most eagerly look forward to because it is an occasion which brings so many on either side together. For the School, this function was of particular importance because it received two valuable gifts from the L.C. of a handsome Tape Book Library Cabinet and a Handloom. The School's Programmes Committee was no less active and during the year organised sundry programmes of entertainment and educational value.

Dr. Bai Hirabai H. Pathak, a sympathiser of the School, invited the orchestra at her place at Juhu, and at the end of the music programme, gave a cash donation and refreshments and small gifts to our children. Thanks to the efforts made by Smt. M. K. Bhagwagar of the Blindmen's Association, children were able to attend the Dramas of Shri Adi Marzban at the G.T. Auditorium and the Birla Matushree Sabhagar.

The School is grateful to Principal Hodiwalla of the Parsee Youths' Assembly High School, Dadar, for inviting the orchestra and giving a donation of Rs. 100 and refreshments to the children.

The children had a very enjoyable time on the 2nd January, when they witnessed the Pantomime "The Old Woman Who Lived in a Shoe" organised by the Welfare Committee of the Cheshire Home, at the G.T. Auditorium. To crown all this, Shri Feroze Guzdar, invited a party of our children to join his annual Harbour Cruise which lasted for nearly three hours and gave to our children a good time at sea.

**Our New Gymnasium:**—The School has now a better equipped gymnasium as a result of the grant from the Central Social Welfare Board. It may not be known to many that several of the requirements in the gymnasium were prepared at the School in our Carpentry Section. Apart from the financial help received from the Central Social Welfare Board, we are grateful to the Proprietors of the Asian Oil and Paint Co., (India) Private Ltd., for gift of paints and Shri Vijay M. Merchant for the free service of his welders for the welding work and the truck for bringing quantity of sand for the gymnasium.

The whole School's P.T. Programme is now placed under a full-time P.T. Instructor, Shri Y. J. Choksy, who also conducts games and scouting. This is a very welcome change over the past years when the School could provide only a part-time physical and games instructor. It may not be wrong to say that the School expects better results in this important branch of the curriculum.

Shri Choksy was deputed to attend talks given by Miss Josephine Kidd on Recreational Programme for School Children. Miss Kidd visited the School on the 5th March 1962 and taught a few games to our blind children for their recreation. Shri Choksy also attended the Seminar on "Principles of Programme Planning in the Field of Recreation" held under the auspices of the Balkan-ji-Bari at the Nagpada Neighbour House.

**Tape Book Library for the Blind:**—The Tape Book Library is fast becoming a valuable medium of instruction and entertainment to our children. During the year we received further gifts of spools of Magnetic Tapes from the Lions Club of Bombay, who also donated a Cabinet to contain the Library, and the Lions Club of North Bombay. Shri Narendra Tanna of Cinecrafters has been good enough to give free service for the upkeep and repairs of the Tape Recording machines and radios in our possession.

A proposal has been made to the C.S.W.B. under the Third Five Year Plan to appoint a person in charge of this Library so that regular recordings take place. The 15th Rangers of the East Bombay Bharat Scouts and Guides District Association, who so generously helped last year to start going this new programme, continued to help us in the current year with recordings

of very many interesting items and the School is really grateful to them for this voluntary service.

**Our Scouters:**—Sometime in September 1961, our Scouters had hikes in batches to Shivaji Park which is some four miles' distance from the School. It was a journey on foot and in the rains both of which the scouts found thrilling. In October, the scouts had a whole day camping at the Vihar Lake. Our very sincere thanks are due to Shri Mahiar K. Panthaky of the School Bus Service for placing his bus at our disposal entirely free of charge.

The Scout-Guide Week was celebrated late in November 1961, which provided an ample opportunity to our scouts to associate themselves with a few of the items organised for the occasion. On the 25th, they participated in the Grand Camp Fire at the Robert Money High School and on the following day they were present at the Grand Rally at the Shivaji Park, when Hon'ble Shri S. K. Wankhede, Maharashtra State's Finance Minister, was the Chief Guest. A few of our scouts gave White Cane Demonstrations organised by the White Cane Project Committee of the Lions Club of Bombay at Dhobitalao and Flora Fountain.

In February 1962, our scouts actively took part in the Scout Sports at the Gowalia Tank Maidan and won over the 51st West Bombay Troop in the item of Tug-of-War. They also won prizes in two other items, viz., Lemon-and Spoon Race and 25 Meters Fireman's Lift, which were watched with great interest by the spectators.

On the 6th December, the 15th Rangers organised a talk by the Principal to the Members of the Troop on the value and usefulness of Tape Book Library to the Blind. The Institution is also grateful to the young guides of the J. J. High School for Girls in preparing a series of Braille Maps and Charts for History and Geography lessons. These charts have been of great use for our children.

**Music:**—Our association with the Bhatkhande School of Music, Bharatiya Vidya Bhavan, continued this year also and the School offered more freeships to our students for which we are grateful to the Management of the Music School and its Principal, Pandit Chidanand Nagarkar. It is possible that in the next year freeships to our students for learning music may further be enhanced. There is also a move to get our children examined in Music at the Bhatkhande School, and, if this facility is available, it will surely improve the general standard of music among our blind children.

The orchestral programmes for all sorts of social and cultural functions far exceeded the number previously registered. A chart printed in this Report in this respect will explain the point more clearly. It seems our orchestra has gained Bombay-wide popularity.

Some time in March 1962, our students participated in the open Competitions in Music organised by the India Culture League. Our young competitors carried away a number of prizes in instrumental and vocal music and Running Championship cups in these items and in the orchestral performance. The winners were issued Certificates of Merit for the good show put up by them in the Competitions.

**Physiotherapy:**—Our Physiotherapy Centre and Clinic is now facing a real difficulty on account of a very limited space in which it is being managed. The question of shifting the Centre in altogether a separate block is receiving serious consideration of the Management and is actually included in the expansion scheme proposed under the Third Five-Year Plan. This is felt very essential because the Centre works more or less on a national basis.

The Ministry of Education, Government of India, awarded scholarships to four of our students to undergo advance training in the Centre. This time the Ministry has also sanctioned to each of the students a small amount to meet the cost of engaging a reader. This is very much welcome as it will help the students in preparation of the lessons in Physiotherapy.

The Centre is immensely grateful for the voluntary service given by a team of Honorary Medical Staff whose names are listed at the beginning of the Report. Their help as lectures has been very valuable and is fully appreciated both by the Institution and the students. This year we are sorry to lose the services of Dr. Miss S. D. Bharucha, F.R.C.S. (Eng.), M.C.H., Orthopaedic Surgeon, who has now been posted to Maulana Azad Medical College, New Delhi. The students of our Physiotherapy Centre gave a farewell party to her on the 19th September 1961. We know this has been a very great loss to us particularly when it is so difficult to get such a highly qualified doctor to teach Orthopedics to the students. The Institution's good feelings are with her for her success and rise in her profession. Dr. Bharucha was good enough, before leaving, to record her lectures on her subject in spite of her very busy time.

We are very much encouraged to find that every year one or the other of our students gets employed in physiotherapy. This time Shri Dhirajlal Manilal Shah has been able to find employment in the Government Hospital at Rajkot. Another of our student, Shri Damji L. Savla, was temporarily employed at the G. T. Hospital, in place of Shri Hiralal P. Joshi, who had gone on leave.

Shri Vasantlal Korodia was called to give massage to Shri Shantilal H. Shah, Minister of Education, Government of Maharashtra. The complete list of students employed in this profession is printed in the Report.

**Other Crafts:**—The Carpentry, Cane-Work and Tailoring Sections are making satisfactory headway. The orders for carpentry and chair caning work were received from the various Government Departments throughout the year. This has enabled us to give employment to our ex-students and the constant run of work has necessitated employment of a few more of them. We are thinking of adding on a small scale Handloom work for some of our blind children and we hope to achieve good results in this new activity of ours.

**Shri C. Raja Gopalachari:**—On Thursday the 12th October 1961, the Lions Club of North Bombay, organised a function at the School Premises for presentation of Braille copies of "Rajaji Ki Laghu Kathayen" to the National Association for the Blind. Raja Gopalachari was invited at the function as the author of this Book to give away the copies.

**C. S. W. B.:**—The School has drawn up a programme for receiving grant from the Central Social Welfare Board under the Third Five Year Plan amounting to about Rs. 62,000 which includes our matching contribution on 50% basis. This will make possible further expansion of the school activities in certain directions.

On Saturday the 23rd September 1961, the School was honoured by the visit of four Chairman of the States' Social Welfare Advisory Boards, viz., Smt. Raksha Saran, Delhi, Smt. Lakshmi Nair, Kerala, Smt. Shyamla Devi, Andhra Pradesh, and Smt. Indra Sen, Pondicherry. The Chairmen acquainted themselves with the work the School is doing for the education and welfare of the blind.

**School Inspection:**—On the 10th August 1961, Shri M. G. Pathak from the Social Welfare Department, inspected the School and submitted his Report on its working.

**F.R.C.:**—The Finance Raising Committee of the National Association for the Blind organised during the year some functions to raise money for its work and for the benefit of the institutions for the blind in Greater Bombay. As a result of their efforts the School received a substantial help of Rs. 9,834 as its share. The Institution is greatly indebted to the F.R.C. for this annual help and records its appreciation of the very valuable work done by its Chairman and Members for collecting such large funds.

The School also received handsome donations from the British Women's Association, the American Woman's Club and the Time & Talents Club, for which we are grateful.

**Tests & Examinations:**—The School continued with its newly introduced system of holding Daily Tests and marking the progress of the individual students class-wise. The terminal and final examinations were also held and reports posted to the parents. The School is thinking of revising the School Reports on the progress of the children for a better assessment of their studies in the various subjects.

**House System:**—The School continues with its system of having House Leaders appointed from among the senior students of the School in view of the fact that it has borne good results in maintaining a certain standard of discipline and orderliness in the School. The House System has also been responsible in creating a healthy rivalry among its young members to bring up the name and honour of their individual houses.

**Satya Prakash:**—The School continues to bring out Braille editions of its manuscript Magazine “Satya Prakash” with the help of the student editors. The contributions are made in the Magazine by the members of the staff and the students. Special editions are brought out on the Independence and the Republic Days.

**Bal Bhavan:**—We are thankful to the Blind Men’s Association for organising open air activities for the younger children of the School at the Bal Bhavan. The benefit of this is taken by our children once a week after the fair weather starts. This provides ample opportunities to our children to have games and recreational activities along with the sighted children. The Blind Men’s Association is also running a Circulating Library which provides additional fare for reading interesting stories and topics.

**Demonstration Lessons:**—The teachers have continued to prepare and give model lessons which have their own advantage for improving the standard of teaching. At the end of each lesson there is always a lively and profitable discussion on the methods and techniques followed by a teacher in a particular subject. The benefit of these lessons was also given to the four teachers deputed to undergo the Teacher Training Course.

**The School Bus:**—The School Bus is the one among the many generous helps the House of Tatas has given to the Institution from time to time. The children had their usual outings and picnics because of this facility now available with us.

**Publications & Publicity:**—The School has continued to receive the following publications on the education and welfare work for the blind:—

The copies of the New Beacon, The St. Dunstan’s, The CCB Outlook and the Social Welfare in ink-print and the Weekly News, The Jack & Jill, The

Life and Health, The Readers' Digest, The Wee Wisdom, etc. in Braille. The Principal of the School, apart from giving talks at the Balkan-ji-Bari Training School of Child Welfare and the Class run by the Social Service League, contributed a few articles in some of the Magazine. Shri R. R. Bakshi, the Head Master, also gave a talk on the Educational Problem of the Blind under the auspices of the Nagpada Social Welfare Classes.

The Institution is always grateful to the Press for the publicity it gives to its various activities. This has helped to bring to the forefront the work of the Institution and the public at large is made acquainted with its useful activities.
